Dr. Jim Fuller, Pastor

Calder Baptist Church

Dearest Friend, Dr. Jim!

What a wonderful evening spent in praise and worship with you, the congregation and guests last Saturday evening! The select musicians of the Symphony of Southeast Texas under the direction of Chelsea Tipton II provided a perfect backdrop for the events of the evening!

Noteworthy, of course, was your presentation of the fund-raising gift collected by Calder benefitting the roof needs of CLCI's Shepherd's Inn! Even though the need has not been fully met, the Board of CLCI has every confidence that God is able to supply the need in like fashion as He has impressed your congregation to participate.

I and the Board recognize that your participation goes far beyond the monetary. It extends to personal interaction with us in ministry through prayer and personal participation at the ground level! It is at "Ground Zero" that we are in constant need to meet the challenges of presenting Christ in a tangible way to the recipients of our ministry to our guests. You all help make it happen and we are grateful!

Bless your hearts for all you do for our Lord, His Kingdom, Church and the ministries of Christian Life Crisis Intervention, Inc.!

In Christ Alone!

Calvary House

- Congratulations to Don Jolly on his upcoming move to Jasper within the next month or so. Don has served CLCI for upward of seventeen years as Resident Manager of Calvary House.
- Labor Day weekend in the midst of everything else going on, I received a call from a family in transit by bus from out of state and nowhere to go. They were agreeable to accepting very short term, very makeshift (limited furniture), living arrangements until they could find something either locally or elsewhere. Both families will be out of CH by the end of this month.

Scripture repeatedly reinforces the concept of God's CHURCH as His primary venue for saving the lost.

Whether your church participates directly in service to our community or indirectly through partnering with non-profits, such as CLCI, financially or by volunteering, we invite you to join us as we seek to provide a safe venue for service to our area's children in need, be it homelessness, an incarcerated parent, or juvenile offenders.
